SUPPORT POURS IN FOR PRESIDENT TRUMP, VP VANCE'S AMERICA FIRST STRENGTH

February 28, 2025

Today, President Donald J. Trump and Vice President JD Vance made clear to the world that the United States will not be taken advantage of — a sentiment echoed by the cabinet and members of Congress from across the country.

Secretary of State Marco Rubio: “Thank you @POTUS for standing up for America in a way that no President has ever had the courage to do before. Thank you for putting America First. America is with you!”

Sen. Lindsey Graham: “I’ve never been more proud of President Trump for showing the American people — and the world — you don’t trifle with this man ... He wanted to get a ceasefire. He wants to end the war and Zelenskyy felt like he needed to bait Trump in the Oval Office.”

Secretary of Homeland Security Kristi Noem: “I am so proud of our Commander-in-Chief. Thank you President @RealDonaldTrump and @VP for standing up for America. We will not tolerate the political games and disrespect of America. America is back.”

Secretary of Defense Pete Hegseth: “Amen, Mr. President.”

Secretary of the Treasury Scott Bessent: “Thank you, President Trump, for standing up for the American people and our nation on the global stage.”

Secretary of Agriculture Brooke Rollins: “American leadership is back — in the Oval Office — and on the world stage. FEARLESS. BOLD. RELENTLESS. We will save America.”

Secretary of Transportation Sean Duffy: “Thank you @POTUS for standing up for the United States. The American people will not stand for disrespect of our President, Oval Office, or our generous taxpayers. Peace is only accomplished through strength and our allies need to understand that.”

Secretary of Housing and Urban Development Scott Turner: “President Trump is standing up for forgotten Americans, not endless foreign wars. Biden’s legacy — increased homelessness, record high interest rates, all-time highs to buy a house, and Americans footing the bill. That ended January 20th. The American people are behind @POTUS.”

Sen. Jim Banks: “Thank you President Trump for standing up for America!”

Sen. Marsha Blackburn: “Thank you President Trump and VP Vance for standing up for America.”

Sen. Bill Hagerty: “The United States of America will no longer be taken for granted. The contrast between the last four years and now could not be more

clear. Thank you, Mr. President.”

Sen. Josh Hawley: “Remember: the U.S. Senate has repeatedly and for years voted BILLIONS of taxpayer dollars to Ukraine with no strings attached and with no true oversight. It’s time for some ACCOUNTABILITY.”

Sen. Jim Justice: “Glad to have a @POTUS and @VP in charge that absolutely put America FIRST.”

Sen. Mike Lee: “Thank you for standing up for OUR COUNTRY and putting America first, President Trump and Vice President Vance!”

Sen. Bernie Moreno: “Finally we have a President who will speak the TRUTH and stand up against Washington’s endless wars. American taxpayers have been funding this war, it’s time to stop the killing and stop risking World War 3!”

Sen. Markwayne Mullin: “Under this President— the greatest, freest, and most generous nation on Earth is putting America First. I’d encourage anyone who has a problem with that to reevaluate their priorities.”

Sen. Rick Scott: “Thank you President Trump for standing up for America.”

Sen. Eric Schmitt: “It’s about time we have leaders who say what the American people are really thinking and prioritize the core national interests of America. The American taxpayer is tapped out, and President Trump and VP Vance are spot on.”

Rep. Andy Biggs: “Gone are the days of foreign leaders walking all over us and snubbing their noses at America’s generosity. There’s a new President and Vice

Rep. Mike Collins: “Thank God we finally have a @POTUS who is willing to put America FIRST. Blessed are the peacemakers.”

Rep. Eli Crane: “America First. Thank you, President Trump and Vice President Vance.”

Rep. Dan Crenshaw: “If you are the leader of a country in a dire situation with no path to peace without American support, do not come into the Oval Office and argue with the President of the United States in public. Just a word of advice.”

Rep. Andrew Clyde: “President Trump and Vice President Vance are standing up for the AMERICAN PEOPLE. Our great country will NOT be taken advantage of or disrespected.”

Rep. Paul Gosar: “Thank you, Mr. President and Vice President. The days of the USA getting pushed around are clearly over.”

Rep. Marjorie Taylor Greene: “President Trump and Vice President Vance will put America First every single time. Putting Zelensky in his place while he disrespects the U.S. in the Oval Office is exactly what American leadership should look like. This is what We The People want to see!”

Rep. Pat Harrigan: “America’s priorities come first. @POTUS and @VP made it clear—Ukraine’s interests are not America’s interests. We’ve spent hundreds of

billions with no accountability, no clear objectives, and no plan for peace. It's time to put America first and end this war.”

Victoria Spartz: “Zelensky is doing a serious disservice to the Ukrainian people insulting the American President and the American people – just to appease Europeans and increase his low polling in Ukraine after he failed miserably to defend his country. This is not a theater act but a real war!”

Rep. Greg Steube: “Ridiculous grandstanding by Zelensky in the Oval Office. The United States has spent hundreds of billions of dollars to defend Ukraine. And this is the thanks the American people get? It’s time to end this war.”
