Apparently, if I help [redacted] become a big star by having my presence in her space so the public will trust this [redacted] I won't feel pain. [redacted] used to live here in one of the apartments above me. So, with respect to the Jihadi attitude towards the US, Shiia or Sunni makes no difference. That is [redacted] who has been able to watch me in my apartment and knows when I haven't been wearing a bra under two layers so that I can be molested while my driving my car. I gave [redacted] some non-beef salami some moths ago - food from my refrigerator before I was traveling - so somebody is mad about that. [redacted] had a Swedish-Iranian visitor and for some reason the taste of his body odor wound up near my mouth and was later all over my friend [redacted]

[redacted] about a month ago. I saw [redacted] earlier in the week and [redacted] Swedish-Iranian friend's odor was all over him. The Swedish guy is no longer there. Again, [redacted] is Brett Kavanaugh's brother metaphysically, tho is a libertarian/liberal. [redacted] doesn't have a green card. How was his odor all over [redacted] had both her legs amputated and someone told me that somebody close to her, now deceased, was a bigwig in ISIS. For some reason before hearing that, I used to have an urge to yell at her because she would intrude in my space. She was living with a Jewish guy. That was fine with me. When I first met [redacted] a roll of quarters for the laundry that I had, disappeared. I guess she did take it cause this harem thing with [redacted] is helped being set up by her. She deliberately dyed my hair too black to match [redacted] when I had her do my hair. [redacted]

[redacted] I rode my bicycle with a friend at the beach yesterday and I was hit in the crotch and the legs though the ride. In my apartment, I was being pressured to help [redacted] with [redacted] in the bed. These are not the kids from [redacted] I told you about who were friendly. They no longer have to pay homage to the MS13 - they were able to get separate thanks to Trump.

No gurls. These are pictures of the inland formation of a shoals somewhere in Southern China. This is where Pence comes from. There was a movie about this area being developed by white looking feeling non-Asian men in the 1920-30's, I saw them b/f they walked on land, they looked like weebles seen me to. There was a Lagoon nearby/they polluted it so bad, it almost killed everything on the planet. I saw it day 1, when I started having these visions&nope they not from Pence's mind /body they from dah movie. He used force on me to try to figure something out/then tried to run away w/the power of God, so I have

believed the 1st one made me mad enough to wack him wholely. While I was wiping all traces of his be from the planet's history,I saw the other Mike Pence.A passer by who assumed the Id for political purpose. The other Mike was more of an Assyrian/Korean/Jap.This I strictly from China.So,I guess I asked for something&got it,maybe this 1 has a good chunk of Immigrants&needs to take them home(they auto ousted.)

Condolezza is a user&shoot her if we ever had a chance.So,she is not around us or up in front w/out audacity or shamelessness.A few more groups got blasted to dah past.I am about to ramp up some new things, that should be mercilessly implemented.Okay,the riotious grps I know of colored or Chinese folks,were just too rampant,they wanted someplace outta my sight to live&grow,we decided we don't live nicely side by side,everybody wanted outta here,cause I was too damn bossy. The White ones,was still in the ground&we was throwing down in Hollis. NOW,I decide, them whites too persnickety&justa like dem colored ones. They had to stay home, they had butterflies&moths the size of telephone books landed in [redacted] kitchen.I was so shocked I tried to capture one&had it outside&by the time I went to sell the darn specimen which was living okay,her&her baby daddy stole it where I hid it and set the darn thing free,talking "Its not right to hold the thing like that,besides it was scary looking."I was maybe gonna get 1k or something.They pissed me out.So,the next thin I do is go somewhere to do my updates,&then I decideto sell Euro on taking the Turkey.Okay, they wanted em,they liked em,they been eating them.NOW,the dudes know I was stomping on somebody somewhere else,&I was always rooving over the lands over there like I was a drone.But, I not a drone.So,I see Condoleeza&her friends in another part&decided she sold us out&needed to be punished,&buddy of Kavanaugh tried to genocide Americans w/a group of folks&was passing the girls around,what I then did was cock block him&insert 2 of his.He was is so dirty,that his own henchmen crew knocked him in it.Now,that is bad.So,I right to run around in memory to look&do to see how much of a danger the Raptors will be to the Mongols. Trumpdom is the Skullduggar "Captn GreySkull" lord of the grey himself.He uses the Nova-Scotia grp that was blown to betsy back in dah day shippin shipped overdone manure from abroad it blewup.

Since President Trump has approved the FBI to look into the Kavanaugh/Ford allegations I think we should look at Ford and her background and possible motivations for going after Kavanaugh. Here is a link to some info on Ford and I was hoping someone would look into it to fact check it. If the information in the link I am providing is true then she should be arrested for the felony of lying to the Supreme Court Committee at least and Treason at worst. <https://beforeitsnews.com/v3/politics/2018/3026017.html>

Senator Cory Booker's office phone (856-338-8922) in Camden, NJ almost certainly is tapped by Chinese intel. I called the office at 12:55pm 28 Sep to say the Senator needs to be careful about blaming the Kavanaugh process, praising Chairman Grassley, then walking out before all the other Senators could make their points. Not a good idea. Bad form. Just after he made a very persuasive speech. Within 30 minutes, our landline phone rang from Atlantic City. I cannot retrieve the number. It's an old handset. Sorry. Two Asian voices, one

[redacted] I knew what it was. Instantly. A clear probe by FIS (Chinese) to reach out. They did not call back on my mobile, but on landline. Very interesting because they were so quick. FBI needs to tell Senator Booker that FIS is monitoring his communications in Camden, NJ. Sad but true. You probably already know which US leaders the Chinese are monitoring, but to me the fascinating aspect is how fast they called me. Within 30 minutes. Rapid targeting. Thanks for all the Great work you do!! [redacted]

[redacted] and others computers activities in these computers; usages of aol websites, links, wifi websites, cookies websites. Sir, refer to Judge Kavanaugh now under investigation by FBI awaiting Senate hearing confirmation. Judge Kavanaugh has been wearing purple color ties at the hearings, same way Judge Gorsach, Mr Wray FBI Director were wearing purple color ties during their hearings. Let Authorities ask "why should Trump's nominees every time should wear purple colors ties", nominees who never had knowledge of secrets behind purple colors and all over sudden they became interested in wearing purple colors. Purple colors ties, suits, dresses etc have been worn by Politicians: Republicans, Democrats, News Reporters, Celebrities, Athletes etc in America with reason "the purple App changed U.S. Democracy voting system on 11/08/16 as purple App was used by cyber-terrorists (Russia, ISIS in Syria, White Spies and Affiliates in U.S. and some Evangelical Christians in U.S. and Worldwide); in hacking U.S. Elections for Trump to win over Hon. Clinton on 11/09/16; in which Hon. Clinton was robbed of her votes-counts at Sates-level computers. Those Trump Nominees should be promoting the purple App for Trump, let FBI investigate as well why Trump Nominees are interested in purple colors all over sudden. Trump has been making brag-lies in the past "the system is rigged, FBI are corrupt, Clintons, Obama, Democrats are crooked". In the outcome of Kavanaugh investigations by FBI, if the outcome wont go Trump's way, he will blame FBI as corrupt and yet he is the most corrupt and crooked. Let Authorities investigate Trump's involvement or knowledge in U.S. Election cyber-terrorism on 11/08/16. Sincerely, [redacted]

I tried 3 calls this morning to the FBI just to leave a message, there was no access to the message line. I only had a comment on the Judge Kavanaugh debacle. This slimy lawyer Aventti, is making the FBI look bad. The FBI, whom i respect, who completed 5 or 6 background checks on Judge Kavanaugh, and didn't find one centilla of evidence of sexual misconduct on Judge Kavanaugh. Aventti found 2 women in 48 hours that were claiming, after over 30 years, sexual misconduct.....How does a third accuser of Judge Kavanaugh, get gang raped over 30 years ago, and she never made a peep to ANYONE, until now. Gang raped. Never told anyone until now? Really? How does this happen to the FBI that I have respected all of my adult life? Poof, Poof, Aventti finds sexual misconduct from 2 women in 48 hours, from over 30 years ago; please don't let this slimeball make you look bad. The FBI is MUCH better than that.

Kavanaugh Investigation

Please refer to Judge Kavanaugh's July 1982 calendar.

July 7 "Columbia", July 8 "Congressional" refer to Columbia Country Club and Congressional Country Club. According to her statement Dr. Ford spent the summer (1982) swimming almost everyday at Columbia CC. It is not "impossible" BK and Dr. Ford ended up at mutual friend's house after a day at Columbia CC. Please forward to proper investigators.

Dr Ford seems to be bias. I hope FBI investigates Dr Ford as well as Judge Kananaugh. Regarding Dr. Ford. She is an expert in the claims that she made, Please you must investigate her closely. She is a professor at www.paltoaltouniversity.edu She teaches clinical psychology to Grad students in how to treat patients with phobias etc. Including Repressed memory Fear of Flying Claustrophobia Fear of old white men. Is her father an old white man? This makes her an EXPERT in these subjects. I find it odd that not one of her students spoke up for her. In her testimony under oath she changed info from her original complaint. I went to PAU website when news first broke there was a letter on home page supporting Dr. Ford. Under faculty her email and phone number had been removed but it listed her areas of expertise. I didn't write it down and when I went back for another look her

I am concerned about the anti-abortion activist/political groups in Canada and the United States that may be attempting to frame Judge Kavanaugh. The Canadian Criminal Code does not include the murder of a wanted child like it does in the United States.

Abortion rights groups in Canada & the US often work together back sending emails asking for them to load their politicians with anti-abortion petitions.

b6  
b7C

ARCC has a list of links that include American anti-abortion groups that no doubt have included their thousands of names to the ARCC petition sent to our Canadian Parliamentarians. [http://www.arcc-cdac.ca/american\\_sites.html](http://www.arcc-cdac.ca/american_sites.html) NARA is

one of them on the ARCC list <https://www.prochoiceamerica.org/> You will notice that NARA is trying to get rid of Judge Kavanaugh. I understand that American women do not want Judge Kavanaugh to be on the American Supreme Court because he will reverse the Roe v. Wade case. I know a little bit about women shelters in London Ontario & Hamilton. In London, Interval House directors will deliberately lie about what is written in provincial legislation to get support. I found them doing this during an OPSEU union strike. Interval House director [redacted] uses a "dot" system of red or yellow to get other women's shelters to refuse a woman who has confronted them on their lack of reporting to CAS or other human rights violations. Interval House [redacted] [redacted] who has advocated to infiltrate political parties to "change them from the inside" aka subversion. All Interval Houses are associated with the New Democrat Party in Canada. [redacted] has lots of info about the NDP on how they treated the [redacted] I no doubt these women's groups fabricated information on Kavanaugh. I no doubt that our unions between the USA & Canada are a part of the frame-up. No one in America says anything about contacting police. What if police were refusing to listen to women in the 1980 & 1990s? [redacted]

b6  
b7C  
b7E

[redacted] I tried the College of Physicians and Surgeons of Ontario and they did nothing, nor did they contact the police in 2007. The College, the Minister of Health and the Ontario Police all believe doctors are above the law. Why would it be any different in the United States back then? The day Cassandra Kaake was murdered, I took my tape recorder & recorded proof the [redacted] Police Service STILL refuse women their protective rights in 2015.

and I lost around 10000 , -C although they had no proof that I was at the store which was at Munich. So the Nazi judges just make show trials here and punish who they hate (me) without sticking to the laws in the books. That's what I wanted to add to the files. That almost all the killers and serial killers who tried to kill me or killed or injured witnesses had this strategy to lie to slander against me. That is also what all Islamist criminals did. So you have the crime as such but then the strategy of evading justice by falsely accusing the victim of something or the exact crime that has been done to the victim. And this notion that the victim-witness is insane to discredit them is already reported by me. Marlene Dietrich who was killed at the age of 19 as you know as a witness was pushed out of the 2nd floor and the police hushed it up as a suicide attempt as well as the second attempted murder that killed her. The killer left a fake suicide note there. But because she is dead she can not tell me if the second suicide was also made up by the killers like the first. As I wrote it is onething to deny a crime but they topped it all here by accusing the victims. Islamists and Nazis alike. Nobody is abiding by the law. Not judges nor police. But the attackers of the Nazi Punks of recent attacks I could not identify. So I don't know if they were cops or ANs or AAs or NAMs. And I think I will not be able to because I don't investigate much since your FBI collapsed under Trump. You see it also by the fact that you don't investigate against Brett Kavanaugh that you are destroyed by the Nazis . He wants to end special investigations like the one of Mueller against the russian collusion and he wants to degrade women by making them Nazi-birth machines. That's how Nazis view women. So they have no right to abort. After he is a supreme judge he will end Mueller's investigation and then Trump can fire anybody who investigates against him or other Nazis.

This is meant to help in the investigation of Judge Kavanaugh. Please interview all of these people: Tim Gaudette, Mark Judge, [redacted] P.J. Smyth, [redacted] Chris Garrett. According to Judge Kavanaugh, they were all present at a get-together on July 1 of the year in question. That gathering may be where the attempted rape occurred. This is based on two Washington Post stories that appeared on September 28, 2018, with the following titles: 1) "Kavanaugh is pressed on the key July 1 entry in his calendar. But only to a point." 2) "Mark Judge's book validates Christine Blasey Ford's timeline of the alleged Kavanaugh assault" In addition, Judge Kavanaugh's calendar entry for July 1 indicates two possible locations for the get-togethers: "Tobin's house" and "Timmy's" or "Jimmy's" (I can't make out the first letter to be T or J) I have no personal knowledge of any of this, so I have not included my contact info.

Accuser of Judge Kavanaugh, Dr Ford, should be interviewed in the standard interview form referred to by Ms Mitchell at the Judicial Committee hearings. For all the senators touting their prosecutorial experience, how is it that they did not judicially require the properly legally acclaimed standard interview? American citizens want to believe in and hope in justice and want to trust your bureau.

lvl 1: caller was watching a tv show hosted by john Dickerson which was talking about the judge kavanaugh allegations. A woman on the show was doing an interview. She said dr. ford went to a therapy session. Dr. Ford had a traumatic experience in order to go to therapy. Caller is afraid dr. ford may've gone through something traumatic but is not convinced Kavanaugh raped her. Caller is upset at the lack of respect being shown to president trump. Caller is worried these court hearings and investigations are a waste of tax payer's money.

Credible claims of sexual assault have been brought against Supreme Court nominee Brett Kavanaugh, as witnessed by millions of Americans at yesterday's Senate Judiciary Committee hearing. It is neither fair to the American people, nor in keeping with our nation's commitment to justice to have to hope that those claims will be investigated: they must be. The American Bar Association has called for a delay in the process and a thorough investigation. The integrity and credibility of the Supreme Court is at stake, and I implore you, as our leading law enforcement agency, to open an investigation into these matters immediately.

Part 3: I'm sure the FBI would agree that, to be fair, the FBI should also pay attention to info regarding the the accusers, too (in addition to investigating Judge Kavanaugh). Fair-minded people hope that the FBI can look at phone or email records to check whether the accuser Christine Ford really contacted the Congressional rep's office on the date when she claimed she did. She claims it was [slightly] BEFORE Kavanaugh was announced as the nominee, but is that really true? She claims that she was just trying to get the information to President Trump so that he could choose someone else, but that sounds doubtful/ fishy, because she did not send the info to the White House -- instead, she contacted an anti-Trump media outlet and Democrats,

who are well known for their opposition to Trump -- and therefore she should have known that they would be UNlikely to convey the info to Trump. That sounds like a "fig leaf" fake explanation that was concocted later, to conceal the more likely reality [that she probably planned to go public as her premeditated "ticket to fame and fortune," for political and mercenary motives. Her testimony sounded rehearsed.] Ideally the FBI would also check the date when the accuser Ford 1st contacted The Washington Post (if that is technically possible to check). And when did the Ford erase her social media accounts online? And when were her school yearbooks "mysteriously scrubbed from the Web prior to Ford coming out with her allegations"? Learning those dates could help to shed light on whether she really intended to stay anonymous, as she claims (which could help the Judiciary Committee to assess her credibility). And the FBI could talk to the 2 men who told the Judiciary Committee that they had a sexual encounter with Ford in 1982, and they think that Ford mistakenly/falsely accused Kavanaugh instead of them. And can the FBI look at the Ford's alleged therapy notes from 2012 & 2013, to check whether they really mention what she claims they say, and hopefully talk to those therapists, too? And no matter what the second accuser Deborah Ramirez claims to offer as backup this week, the FBI should bear in mind the salient facts in the following excerpt, which proves that Ramirez' accusation is not credible. After The New Yorker published the (flimsy, irresponsible) article that revealed Ramirez' accusation, the NY Times then published this striking nutshell that shot down Ramirez' credibility: "The New York Times had interviewed several dozen people over the past week in an attempt to corroborate Ms. Ramirez's story, and could find no one with firsthand knowledge. Ms. Ramirez herself contacted former Yale classmates asking if they recalled the episode and she told some of them that she could not be certain Mr. Kavanaugh was the one who exposed himself." That line is a stunner, because even the notoriously anti-Trump NYTimes admitted that Ramirez' accusation does NOT hold water. And her close female friend disputed it.

times, the person is not able to graduate from a premier university. Then the deeper he wades into the Swamp, he must compensate for inherent mediocrity by going to the deepest levels... So that's why in the case of Obama, for example, he goes to a lower-tier school like Occidental-Columbia, then compensates by wading deeper to get to Harvard. Same for Dartmouth guys Paulson and [redacted] again lower-tier Dartmouth, but having to go deeper in order to win recognition due to previous failures. Skilling started at SMU, then went to Harvard..... you can see the pattern. Christopher Wray, another Lawyer, who won't catch his fellow Ivy League Criminals. The ultimate is Donald J. Trump, who somehow transferred from Fordham, of all places, to get his degree from UPenn. Yet he often makes it seem he graduated from Wharton School of Business, but is actually from the School of Finance. Funny thing is, start giggling here: he might be the Smartest One of the Whole Cabal !!!!! Don't even get started on Kavanaugh. At least Nixon resigned; you think Trump is smart as Wray?"
